

## South Youth Panel – Volunteers Required

Are you mad about hockey? Are you aged between 14 and 25?

If you answered 'yes' then you should think about joining the South Youth Panel.

The South Youth Panel is a group of committed 14-25 year olds, who represent the youth of hockey in the South of England, aiding development across the region. We're looking for enthusiastic young people keen on hockey including umpires, leaders, coaches, players, officials or supporters who would like to make a difference to hockey, as they know it. We have 4/5 meetings a year as well as helping to organise and run the South Schools and Clubs Mini-hockey Championships.

As well as being on the panel looking really impressive on your CV and University applications you also get the opportunity to achieve personal and group goals and implement initiatives throughout the South.

As an applicant we would ask that you will be able to commit to:

- 18th Feb (Meetings – Surbiton HC)
- 24th & 25th April (Schools Championships - Surbiton HC)
- 1st & 2nd May (Clubs Championships - Surbiton HC)

If you would like to share your hockey experiences with other hockey like minded individuals, please email [south@englandhockey.org](mailto:south@englandhockey.org) for an application form. Completed applications should be returned by 1 February 2010.
